ORDER AMENDING THE BOARD'S FINAL DECISION AND ORDER

On March 27, 1992, the Land Surveyors Section of the board issued its Final Decision and Order in the above-captioned matter. By the terms of the board's Order, respondent's license was suspended for a period of 30 days. Upon its restoration, the license was ordered to be limited in part to require that each of respondent's land surveys and survey maps are to be submitted to Kim Pritzlaff, R.L.S., or another surveyor approved by the board for review and approval prior to filing or recording.

On September 13, 1993, the Land Surveyors Section met by teleconference after notification that Mr. Pritzlaff would no longer be available to carry out the review of Mr. Smith's work. The section was at that time also notified that Leslie D. Vanhorn had expressed willingness to undertake the required review of Mr. Smith's work. Having considered the matter on that date, the board orders as follows:

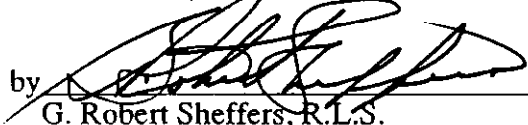

ORDER

NOW, THEREFORE, IT IS ORDERED that paragraph 1. of the board's Order, as set forth in the Final Decision and Order of the board in this matter dated March 27, 1982, is hereby revised to read as follows:

1. Paul N. Smith shall submit his land surveys and survey maps to Leslie Vanhorn, R.L.S., 1681 9th Street, Green Bay, Wisconsin 54304, or another registered land surveyor approved by the board, for review and approval prior to filing or recording.

Dated this 7<sup>th</sup> day of October, 1993.
